There, you had best, as you say you are composed of 180 branches of 48,000 people in 38 States, spend some time in teaching the wanton, reckless Negroes of your race, who wander from City to City, County to County and State to State, doing all the devilment that they can. We do (The Associated Negro Press).
Wil'nington, N. C., April 10.—
George Bell, 67, at one time an aldernan in this city, before the nefarious discrimination election laws, fell dead alize what the league means in the here on the streets. At one time he was worth more than \$100,000, and therefore they are against it," he awared only a said the Senator upon his return.

Yours very truly, (Signod) Sidney J. Catts, Governor of Florida

ceive only \$60, while cierks who flooded Washington during the draft will be given \$240. Why this discrimination?" Mr. Baer declared the soldier's argument was unanswerable.

Bill Planned

"I am going to introduce a bill in the next congress asking that soldiers, sailors and marines be more liberally rewarded. I hope to get at least six months' bonus for the man punished by death at the was who won the war," Representative Baer said. A bill was introduced in the last session to give discharged in the last session to giv

owing to the legislative congestion the measure was unable to gain consideration.

The North Dakota congressman in supporting the measure for higher pay, said he did not oppose the proposition of giving the clerks \$240 but that he thought the boys who battled the Huns to standstilf should not receive any less.

Would be impossible, for when a Negro brute, or a white man, ravishes in the courts is a serious commentary on our laws. Burning to death is so horrible that we can hardly believe, if we did not read your eye words, that you as footened find who they are; the citizenship will not stand for it.

You state that the man in Madison was burned to death and that it adds to the horror of lynching and diagraces not only this State but the whole United States. Your race in the courts is a serious commentary on our laws. Burning to death is so horrible that we can hardly believe, if we did not read your eye words, that you are footened find who they are; the citizenship will not stand for it.
